

**Jordan Gruber, a veteran of high-end residential construction in Miami Beach and South Florida, joins Plaza Construction's Luxury Residential Division as Co-Director overseeing all phases of preconstruction, new construction and large-scale renovations**

**Jordan Gruber**, a Florida Certified General Contractor and veteran of high-end residential construction in Miami Beach and South Florida, joined **Plaza Construction's Luxury Residential Division** as **Co-Director** overseeing all phases of preconstruction, new construction and large-scale renovations. He is a graduate of Florida State University. Plaza's Luxury Residential Division has long been recognized for its superior brand of fine quality construction known throughout South Florida. Its track record of accomplishments includes new construction and renovation of multimillion-dollar estate homes on Hibiscus Island and North Bay Road as well as high-end condominium residences at The Setai, Canyon Ranch, Fountainebleau II, Icon Brickell and more. Gruber is joining Co-Director **Jason Elmer**, a seven-year veteran with Plaza Construction working almost exclusively in the luxury residential market. Elmer is a graduate of the University of Florida with a Master's degree in Building-Construction Management and a Bachelor of Design in Architecture.

One of South Florida's leading full-service general contractors and construction managers, Plaza is also known for such prestigious projects as the W South Beach hotel, the 67-story Marquis and Canyon Ranch North Tower, to name only a few. In addition, Plaza is currently constructing: The Related Group's \$105 million, 42-story Millecento Residences by Pininfarina, located in the heart of Miami's Brickell neighborhood at 1100 S. Miami Avenue; the 35-story EnV at Mary Brickell Village, a residential tower, under its \$65 million contract with Lynd Development Partners, LNR Property LLC, and BlackRock Realty Advisors; and The Perry South Beach Hotel, Resort, Spa and Condominiums, a premier \$100 million beachfront redevelopment by The LeFrak Organization, Starwood Capital Group and Invesco Ltd. that will be renamed 1 Hotel & Residences South Beach. Plaza also recently completed the multimillion-dollar Dadeland Mall Kendall Wing Expansion under its contract with Simon Property Group. Headquartered in New York City, Plaza Construction is prominently ranked among *Engineering News-Record's* Top 100 Professional Service Firms. Plaza Construction bases its Southeast Regional operations from 120 NE 27<sup>th</sup> Street, Suite 600, in Miami.

**About Plaza Construction**

Established in 1986, and headquartered in New York City, Plaza Construction ([www.plazaconstruction.com](http://www.plazaconstruction.com)) provides construction management, general contracting, and project consulting services nationally with offices located in Los Angeles, Miami and Washington, DC. Consistently ranked by *Engineering News-Record* as one of the nation's leading construction management companies, Plaza was ranked by *Crain's New York Business* as the eighth largest contractor in New York City in 2011. As an industry leader in sustainability, Plaza has executed more than \$2.3 billion of LEED rated projects, and in the past six years, the Company's revenues have averaged almost \$1 billion annually. Plaza Construction bases its Southeast Regional operations from 120 NE 27<sup>th</sup> Street, Suite 600, in Miami.
